ce que j écris dans ce livre est avant tout issu de mon expérience énergétique personnelle seul sans aucune aide ou presque je te retransmets 40 ans d évolution énergétique et spirituelle qui sont condensés dans ce livre en apportant des exercices faciles des méditations des schémas et des indications pour développer ton potentiel énergétique de manière simple et accessible pour tous tout est énergie que ce soit le règne minéral végétal animal humain ainsi que toute la création matérielle et immatérielle je fais une approche de mécanique quantique pour expliquer de manière très

compréhensible ce qu'est la matière en réalité ce que je nomme le corps de gloire est l'ensemble des corps énergétiques à savoir les 12 chakras principaux et les 12 corps subtils agissant en interaction les uns avec les autres dans une harmonie parfaite tout ceci forme le corps de gloire quand on parle de chakras et d'énergie ça reste dans le domaine de l'invisible et de l'imaginaire puisque ce n'est pas palpable mais quand un chakra est ouvert on le ressent physiquement et on est sûr qu'il est ouvert il n'y a pas d'ambiguïté au travers des informations des conseils pratiques des méditations et des exercices que je te propose de faire dans ce livre tu ressentiras physiquement tes chakras et l'énergie qui les alimente si les exercices sont bien menés et bien entendu si ton système énergétique est prêt pour recevoir l'énergie divine garde à l'esprit que seule l'énergie est importante ce que tu fais tous les jours dans la matière n'a que peu d'importance quand tu quitteras ce monde en décédant tu emmèneras quoi ton système énergétique uniquement alors construis-le
