desires lead to actions influence feelings and determine what counts as a reward recent empirical evidence shows that these three aspects of desire stem from a common biological origin the author reveals this common foundation and builds a striking new philosophical theory of desire that puts desire s neglected face reward at its core

the three faces of leadership takes readers inside the minds of ceos who have been celebrated by the harvard business review over the last decade of the twentieth century drawing on interviews with these famous ceos mary jo hatch monika kostera and andrzej k kozminski demonstrate how business leaders today use aesthetics specifically storytelling dramatizing and mythmaking to lead their companies successfully they look at how they inspire organizations through their creativity virtue and faith and thus show the faces of the artist and priest alongside the technical and rational face of the manager the three faces of leadership features clear and accessible explanations of the aesthetic philosophy of management as applied to the concepts of creativity imagination courage virtue inspiration faith and ethics it presents techniques for developing these qualities as an essential part of leadership together with the capacity to communicate them to others aesthetic leadership practices are linked to organizational culture change vision values and identity in this way the book encourages students and executives to align the creative and spiritual aspects of business with their technical training and practice

by learning more not only about china but from china america is more likely to sustain a constructive relationship with the rising china lampton insightfully provides us with the much needed guidance zbigniew brzezinski center for strategic and international studies professor lampton s stimulating and well researched book provides a comprehensive framework for intelligent thinking about the implications for the united states and the world of the rapid expansion of china s economic and military power serious students of world affairs and non specialists concerned about the outlook for u s china relations will all benefit from the historically based insights and judgments that fill the pages of this thought provoking volume j stapleton roy former united states ambassador to china

defining power as the ability to get what we want this volume identifies three major types of power threat power economic power and integrative power it argues that

threat power should not be seen as fundamental since it is not effective unless reinforced by economic and integrative power
